Guidelines for submitting an abstract:

For abstracts the enclosed template (a template word file can be downloaded from the Conference web-site: <http://www.hansenanotec.de/sps06>) has to be used.

The abstract should have a maximum length of 250 words. Send it as Microsoft Word file (Arial, 12 pt, one-lined) together with this form by e-mail to: hfuchs@physnet.uni-hamburg.de.

Your abstract should be informative and should contain the following:

- title,
- authors,
- description of the aim of your research,
- description of the applied method,
- summary of the results,
- conclusion.

The text should be written within one paragraph. Choose a short and meaningful title. If you use abbreviations, please write the expression the first time in full length, followed by the abbreviation and nomenclature.
